

WORLD OF RADIO #974, produced Jan 27, 1999 by Glenn Hauser

- *Standard disclaimer
- *We've already produced over 1000 programs, but how shall we celebrate official #1000 half a year from now? Our SW anniversary
- *RFPI revised frequency schedule expands 15050, 21460-USB
- *Continent of Media Tuesday at 2000 may get irregular repeat defaults 8 and 16 hours later; morning Spanish heard again
- *Check redesigned WOR website; major links now easy to find:
<https://www.angelfire.com/ok/worldofradio>
- *US Hams authorized to experiment in 5100-5450 kHz range
- *KVOH clashes with BBC frequency
- *RFPI has Far Right Web Review at:
<http://www.clark.net/pub/cwilkins/rfpi/frwr.html>
- *Bruce Elving of FM Atlas to be on Tom & Darryl Show this week
- *Check Americans for Radio Diversity on media access, micro broadcasting <http://www.radiodiversity.com>
- *Radio Disney changing callsigns of its new stations to have DZ or MK in call; examples
- *WLAC Nashville operating non-directionally
- *Three Michigan stations including X-bander running Morse IDs
- *CBF Montreal confirmed off the air; open DX frequency now
- *See Mark Mohrmann's website for list of Latin American stations
<http://homepages.together.net/~hackmohr/>
- *Rumor of a new transmitter site for R. Marti
- *Costa Rican frequency heard with unexpected station
- *Easiest Colombian to hear with earthquake news
- *Colombian quake ham net frequencies
- *HCJB clashing with Radio Australia
- *Peruvians: R. Nueva Cajamarca's changing frequencies; identifying the 5906 outlet as R. Panorama
- *Brazilian 90-meterband station heard with new ID, FM relay?
- *Antarctic station about to get new transmitter, frequencies
- *The media magazine you monitor with your mind, WOR 974; P O Box 1684, Enid, OK 73702, USA; wghauser@hotmail.com - fax if really necessary 1-580-233-2948 attn Hauser. See our website:
<https://www.angelfire.com/ok/worldofradio>
- *VORGAN, Angolan clandestine reactivated, schedule
- *R. Minurca on low power frequencies only [I should have said 1600-0600 on 5900]; UN about to decide whether to continue it; QSLs in the mail
- *V. of Freedom and Renewal, Sudanese clandestine; see
<http://www.safsudan.com/broadcast/cast1.html>
- *New frequency for R. Hargesia, Somalia
- *East Timor webserver in Ireland hacked out of service
- *BBC WS previews for early Feb: International Recital; The Legal World; Composer of the Month; Performance; Omnibus
- *Search for new head of BBC includes ex-CBS chief
- *R. Luxembourg lives via Merlin Network One
see <http://www.nordrhein.de/home/s.konrad/radio/208/208-news.htm>

*DW has program in easy German
*R. Netherlands, Bonaire had feed loss, extra echo
*R. Romania International heard in morning, but frequency wrong
*"Illegal" foreign broadcasters in Moscow must get licensed or get
"jammed" - we doubt this
*New Turkish station heard on 5 MHz band, R. Tibe - pirate?
*WWCR's Persian service is called R. Porseh, R. Question
International; Kurdish on Thursday
*Afghanistan loggings in English
*When to hear local IDs from Port Blair, Andaman Islands
*Solar flux hit 238.8 on Jan 20 with flare
*Propagation outlook from Boulder, Jan 26; flux peak 160
*That's WOR 974 -- Glenn Hauser hoping you'll join me again
next week ###
